Fire Family Shootout is a competition and a community service project. Teams of 3, 4, and 5 compete for prizes and trophies in various shooting competitions on our Dr. Dish machines. Registration is \$50 per team OR a fully loaded backpack for homeless families in Indianapolis. All proceeds and backpacks go to Pathway of Hope. An email and social media posts with more information will be shared in early November.

Attendance at all Fire Sports & Recreation activities requires registration on our website. Group trainings and shooting machine sessions have a cost for participation (walk-in rate OR monthly membership). Open gyms are FREE to all. We

encourage members to bring friends (first session is free for guests). Our activities are co-ed and all ages are welcome to attend all our activities (including adults). 14 & Under and 14+ indicate the level of competition and age of the majority attending. Development and Advanced trainings are also co-ed and for all ages. Development sessions will be more focussed on fundamental or foundational skills, while advanced is more of a "new to everyone" skill or ability.
